

I help restore
local bird habitat.

10

I use a reusable water bottle
&
cloth grocery bags.

9

I make my windows
visible to birds.

8

I plant native plants
in my yard.

7

I follow laws
that protect birds.

6

I ride my bike
or walk to school.

5

I keep my cats indoors
&
my dogs on a leash.

4

I
change
the
bird bath
water
every
two
weeks.

2

I clean my
bird feeder.

Chart Your Bird Conservation Growth — PLEDGE TO CONSERVE BIRDS

Read the actions you may take
to conserve birds written on the tree
trunk, bird feeder, pond, and birdbath.
Color the matching section of the tree
trunk or object and place a bird
sticker on the tree each time you
complete an action.

I support wetland conservation by
purchasing a duck stamp.
