

I help restore local bird habitat.

10

I use a reusable water bottle & cloth grocery bags.

9

I make my windows visible to birds.

8

I plant native plants in my yard.

7

I follow laws that protect birds.

6

I ride my bike or walk to school.

5

I keep my cats indoors & my dogs on a leash.

4

I change the bird bath water every two weeks.

2

I clean my bird feeder.

Chart Your Bird Conservation Growth — PLEDGE TO CONSERVE BIRDS

Read the actions you may take to conserve birds written on the tree trunk, bird feeder, pond, and birdbath. Color the matching section of the tree trunk or object and place a bird sticker on the tree each time you complete an action.

I support wetland conservation by purchasing a duck stamp. www.duckstamp.com
