

# AMERICAN KESTREL

The most common and widespread falcon in the world.

## GREATEST THREAT

Converting habitat for urban development and agriculture decreases the amount of land kestrels call home.

**1997**

**2012**

**2015**

## HOW CAN YOU HELP?

Purchase food from local, sustainable producers.

*LOCAL  
to  
LOCAL*

Costa Rica's Wildlife Conservation Law protects American Kestrels when they are in their wintering grounds.
